

# SGAA Industry Partner Membership Application

## About the SGAA

The Stained Glass Association of America is a professional trade association whose membership consists of the finest artists and studios working in the restoration, preservation, design and fabrication of architectural stained and decorative art glass in the United States and around the world.

The purpose of the SGAA is to preserve, promote, and advance the stained glass industry in America through standards, advocacy, education, and connection.

The SGAA commits to its members:

*Be the trusted source for stained glass education and standards*

*Help members grow their craft, credibility, and businesses*

*Strengthen the stained glass ecosystem through connection and advocacy*
